Dickens begins "A Tale of Two Cities" with these words: "It was the best of times, it was the worst of times . . . we had everything before us, we had nothing before us." The time of your graduation also seems a doubtful period in history but you have everything before you. I hope you will remember your days at Point Loma as happy days and that the years will prove "the best is yet to come."

## our a.s.b. government

... as stated in our constitution—"the purpose of student government shall be to encourage a high standard of scholarship, to promote order and discipline, to foster cooperation between the faculty and students, to initiate and supervise all student activities, and to inspire loyalty to our school."

... our student government the first semester was headed by commissioner of general affairs, **norton hall**. other commissioners were: finance, **john jauregui**; boys' federation, **tom fetter**; elections and eligibility, **kay mc claren**; interscholastic activities, **dick blair**; girls' activities, **jackie keller**; girls' athletics, **pat curtis**; and publications, **june reeves**. **mitzi schmidt** served as clerk. the a.s.b. blue and silver ball was held in the house of hospitality in balboa park. **joan nye** and her social committee worked hard to make this dance one that will be long remembered by point loma lads and lassies.

june reeves

dick blair

pat curtis

kay mc claren

... our spring semester commissioners were under the leadership of **dick blair**, commissioner of general affairs. assisting him in our many activities were: **don foster**, finance; **kay mc claren**, girls' activities; **dick porter**, interscholastic activities; **sharon jackson**, elections and eligibility; **genie riddle**, publications; and **mery noel**, girls' athletics. having a very full calendar for the closing semester, we found it necessary to have two a.s.b. clerks. **cathy wilson** served as clerk on the commission, and **marydee clark** served as business clerk. the a.s.b. spring ball was headed by **helen robinson** and, due to a new school regulation, it was held in the girls' gym. to help improve school spirit, the commission recommended that every thursday be pastel day. the campus was brightened with boys wearing white shirts and girls in pastel dresses. at the close of the year, the incoming officers were honored at an inaugural coke-tail party. all student leaders and committee heads were present for the occasion. this wound up a very busy and exciting year.

. . . serving as committee chairmen this year were: safety chairmen, john jauregui and nick fintzelberg; calendar chairmen, marydee clark and judy johnson; social chairmen, joan nye and helen robinson; service point chairmen, allan wilson and judy blair; and second semester mike galasso, president of home room representatives.

. . . these committee heads tried various methods of improving their organizations. many were found successful while others will be improved in the coming years. altogether, they worked hard and made a smoother running commission.

# our girls' league

. . . our organization of, by, and for the girls has proven to be one of the most active groups in point loma. the girls' league started off a busy fall semester with a girls' fashion show. two days later was that hilarious sadie hawkins day dance, "dogpatch daze," starring all the main characters from "lil' abner."

. . . fall semester officers were: **jackie keller**, commissioner of girls' activities; vice-president, **joan nye**; secretary, **lee ann woodland**; and treasurer, **janet jefferson**.

. . . one worthy activity of the girls' league was the establishment of a \$50 scholarship to be given at the end of each year to a deserving senior girl who plans to enter san diego state college.

. . . second semester, the girls' league purchased a pointer pencil machine, a handy thing for forgetful students. the annual silent day, which proved that girls can be quiet, was topped off with that favorite dance, "reunion romp." the next event on our calendar was the fashion show for the girls at dana junior high and, finally, the senior mothers' tea and fashion show.

. . . those guiding the league the second semester were: commissioner of girls' activities, **kay mc claren**; vice president, **susie rayburn**; secretary, **jo ann dickinson**; and treasurer, **babe berkheimer**.

# our boys' federation

fall officers

nick fintzelberg, bill edmondson, ronnie turnbow, tom fetter

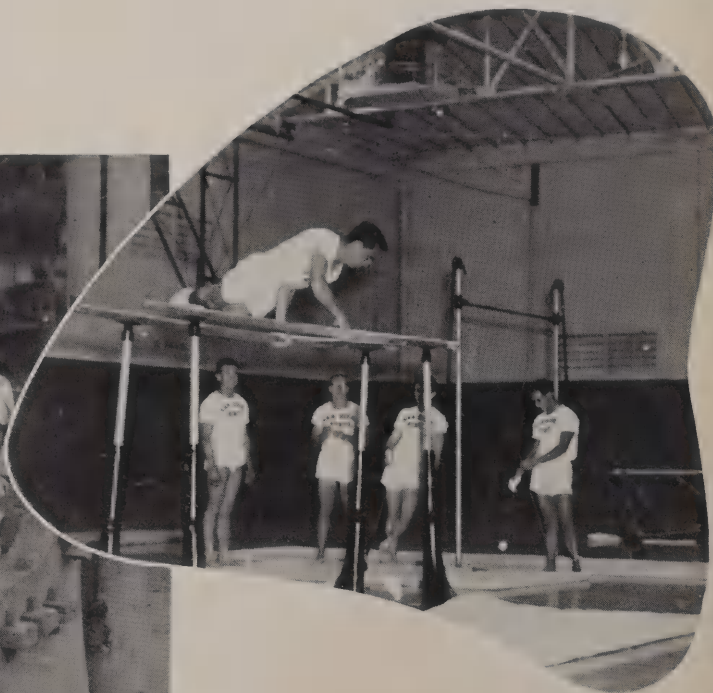

... the boys' federation, beginning with their sale of point loma lapel buttons in september, embarked on a most active year. they contributed many activities for the enjoyment of all lomans, the first being a dressy-sport dance. they later sponsored two assemblies, one was a movie for the whole student body and the other was a tumbling exhibition for the boys only.

... fall semester officers included **tom fetter**, president; **bill edmondson**, vice-president; **ronald turnbow**, treasurer; and **nick fintzelberg**, secretary.

... the spring semester officers, **dick porter**, president; **ronnie brandon**, vice-president; **h. c. yoakum**, secretary; and **don adams**, treasurer, instigated a senior vocational guidance program. this program was undertaken in conjunction with the girls' league and was for the purpose of helping the seniors to decide on their vocations through first-hand knowledge in the particular field they were interested in. the spring semester also found the boys' federation presenting two assemblies.

## as we reached the goal

. . . seniors at last! after three years of hard work, mingled with merriment and happy memories, the class of '52 looks back at their senior year with a touch of pride. a successful paper drive pushed the class to a running start. other activities, such as the book cover sale, the senior play, ditch day, and, finally, the long-awaited senior prom at the la jolla beach and tennis club, highlighted the eventful "big year."

## our junior class

... having worn the rough edges off during their sophomore year, the class of 1953 faced the first semester of junior life with confidence and poise—and what a year!

... they thought long and hard, campaigned furiously, and elected as first semester officers: **frank mendoza**, president; **sharon jackson**, vice-president; **cathy wilson**, treasurer; and **cordelia wedgewood**, secretary.

... aside from football games and parties, their big activity was the class sponsored "beanie" sale, a most successful project. with a new feeling of class unity, the juniors started the second semester.

... after their luck with the "beanies," the juniors ventured into the dance field and again were blessed with success. "leap hop," their first dance, carried out a leap year theme. judging from comments of upperclassmen and from the receipts, their efforts were well spent.

... the busy spring semester officers were: **richard lilley**, president; **hector fernandes**, vice president; **chu-teh killian**, secretary; and **sue penners**, treasurer.

... bringing the social year to a close was the unforgettable junior prom.

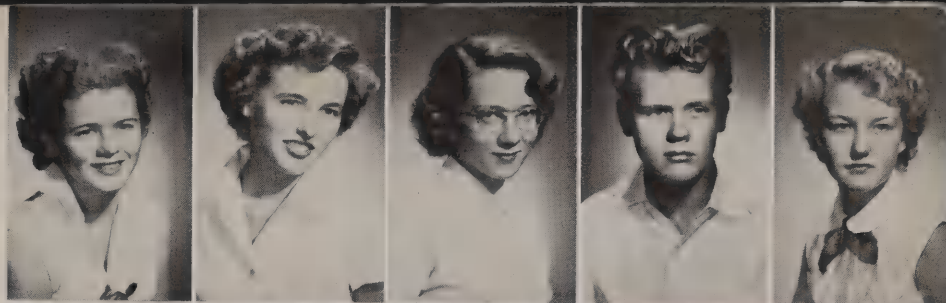

... their junior year seemed perfect in every respect. the class of '53 now looks forward to an equally satisfying senior year.

## our sophomores . . .

. . . we would like you to meet the most often forgotten students, our sophomores. these energetic newcomers to point loma spent the first semester getting into the swing of things at our school; by second semester they had proven to be a valuable asset in all student activities.

. . . the members of our biggest class elected officers second semester. **bob hanna, nancy robinson, dianne phillips, edith elser,** and **katie gower** served as president, vice-president, secretary, treasurer, and historian respectively.

. . . the officers quickly placed the class of '54 in the spotlight by obtaining a soft drink concession for the school dances (this was later changed to an optional arrangement). next on the program was that unique carnival on april 1st. "fool's fair," with a cake contest, various concessions, dancing, and a floor show. this event created a treasury for the class.

. . . point loma has recognized the interest and ability of these students, and we point with pride to our sophomores.

## our football team

... under the able guidance of head coach **don giddings**, line coach **benny edens**, backfield coach **ray malcolm**, and defensive coach **hil crosthwaite**, the pointers gave the fans many a thrill-packed game during the '51-'52 football season. holding their own against san diego in the carnival, the pointers looked like they would be tough to beat in any league.

... varsity football lettermen were as follows: **niles, beard, billings, costa, danjou, duncan, dias, disney, fry, freeman, gould, gomes, hilsen, ken and ed humes, king, krupens, lucero, luscomb, long, morton, nowden, olf, perriera, roe, severtson, stevenson, wallace.** the hard-working managers were **doolittle, campbell, and taylor.**

... in our sixth game with san diego, we bowed to the cavemen in our first defeat with a score of 15-6.

... still with a lot of spirit, the pointers knocked helix with a score of 36-9.

... after a long struggle in our last game of the season with our old rival, la jolla, we lost 21-14, thus ending the season with four league wins and two losses.

... spurring the pointer attack in the backfield were **allee nowden**, **dick disney**, **frank stevenson**, and **Dick Long**.

coach hil crossthaite, manager frank booth

row 1: wayne debate, danny richy, allee nowden, carlos luz, don tarte, dave lamott, bruce russell.

row 2: dave gomes, ronnie robertson, dick disney, george roe, richard lilley, dave gibson, frank stevenson.

## our basketball team

. . . our hard-working basketball team had a terrific season. they came from the bottom of the league last year to second place this year. manager **robert smith** and players **danny richy**, **george roe**, **dave gibson**, **allee nowden**, **wayne de bate**, **david gomes**, **carlos luz**, **art billings**, and **dick disney**, playing their last season for the pointers, did a swell job.

. . . especially honored was **danny richy**, who received the player of the year award in basketball.

coach hil crossthaite

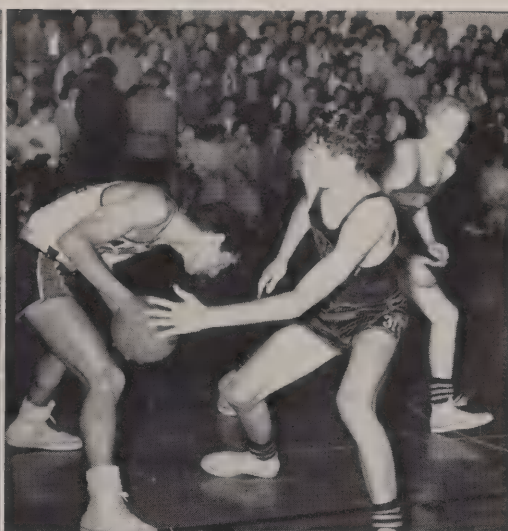

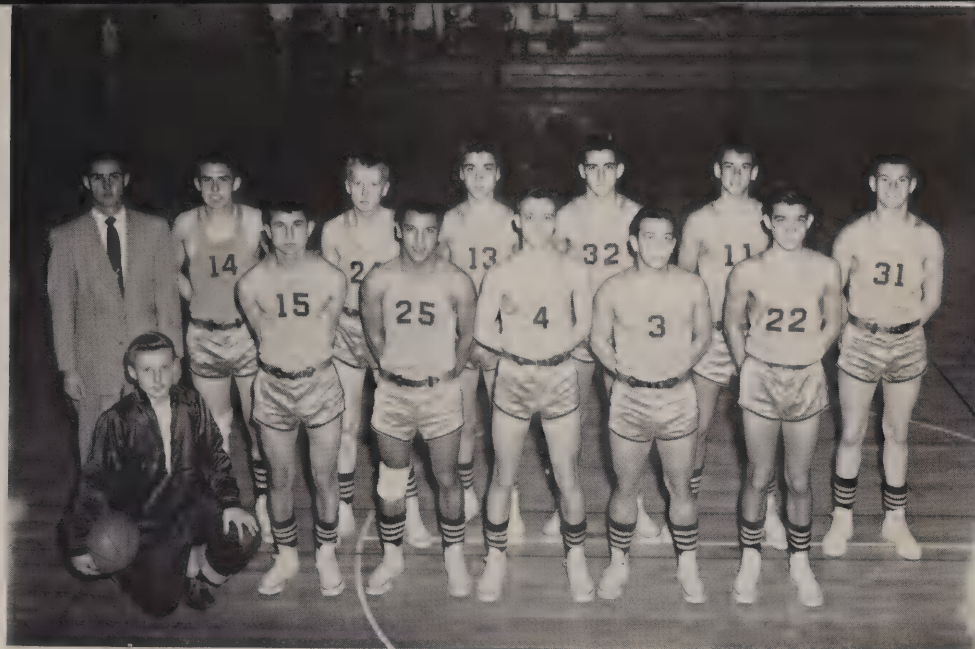

. . . coaching his last season was coach **hil crossthaite**. he left the day after the last game of the season to return to active duty as a lieutenant commander in the navy.

. . . our season's average was 800, winning ten games and losing two. our opponents' margin of victory in each of the two games was a mere one point. we can justly be proud of our team which gave us an exciting season.

# our b's

front row: jim thatcher, mgr.;  
bobby buso, sal tarango, charlie  
boch, manuel ventura, fred nelson.  
second row: coach thomas, chuck  
boyce, steve meyer, b.ll norton,  
mike lorch, rod fuller.

**front row:** tiago goularte, mgr., lance morton, steve flanagan, harold krupens, jim carlyle, dale barbat, don foster, bill burns, ronnie mason, herman thompson, bud pilgrim, mgr. **back row:** buzzy miller, bob lund, bob ryan, dick disney, jesse denny, lincoln lucero, paul west, art billings, doug smith, ronnie clarke, coach malcolm.

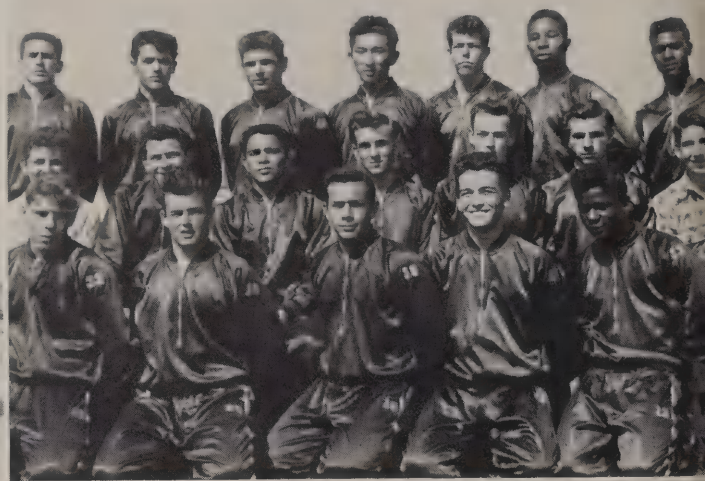

## our track team

... this year's track season was a year of broken records. although they fell to third place, members of the team set four records in track and field events.

... **lincoln lucero**, all around pointer athlete, set marks in the 180 yard low hurdles, broke the mark in the 120 high hurdles, and wound up the season by setting a new record in the high jump. **lance morton** continued the pointer spree by setting a new mark in the shot put.

### "b" track

**front row:** art sherwood, neil christensen, manuel ventura, ernie zozaya, horace chatman. **second row:** don underwood, ray innocent, ted velasquez, george addeck, charles kettelman, r. k. bassham, chuck stearns, mgr. **third row:** bob hanna, manuel silva, gary sada, tom hamada, terry forshey, tom gueston, marion pique.

### "c" team

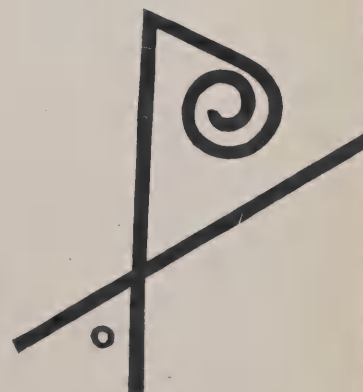

**front row:** bob thomas, trevor lyons, leroy tanida, doug usry, jim donahue, frank pearce, ron harrington. **back row:** skip penrose, mgr., ronnie butler, bobby velasquez, frank asaro, johnny talamantez, dick bouley.

lincoln's marks were 20.0 seconds for the low hurdles, 14.8 seconds for the 120 high hurdles, and 6'  $\frac{3}{4}$ " in the high jump.

lance's record setting effort in the shot put was 51' 6". outstanding for the bees was herman thompson in the 100 and the 220. don foster set a new record of 1 minute, 34 seconds in the "C" 660.

row 1: don crain, coach edens. row 2: richie smith, bob hertzberg, robert buso, bob duncan, wayne de bate, frank stevenson, ronnie robertson. row 3: bobby buso, laurence butler, dave gomez, ed humes, bill martin, bob snelling, ralph wallace, bill fry. Inset: bob roeder.

## our baseball team

. . . playing spirited, steady, ball, our team more than held their own in the san diego city league.

. . . from the invitational tourney at pomona, our hardhitting, greatly improved ball club came home with the consolation prize. a few of the teams more outstanding players were **bobby buso**, **ronnie robertson**, **bill fry**, **lawrence butler**, and **dave gomez**.

... in action

front row: frank asaro, jimmie thatcher, frank mendoza, phil muir.  
second row: don foster, louie newell, george paddeck, bob hanna, and coach malcolm.

## our cross country team

... our young and inexperienced cross country team coached by **ray malcolm** had a luckless season this year; winding up at the bottom of the newly formed city league. **ken meneke** carried most of the load for the pointers this year with seconds and a first against helix high. (time 10 min. 11 sec.)

... some of the others who were in there running hard were letterman **don foster**, **bob hanna**, **george paddock**, **frank asaro**, **louis newell**, **frank mendoza**, **nickie stevens**, and j.v. letterman **phil murrand** and **jim thatcher**.

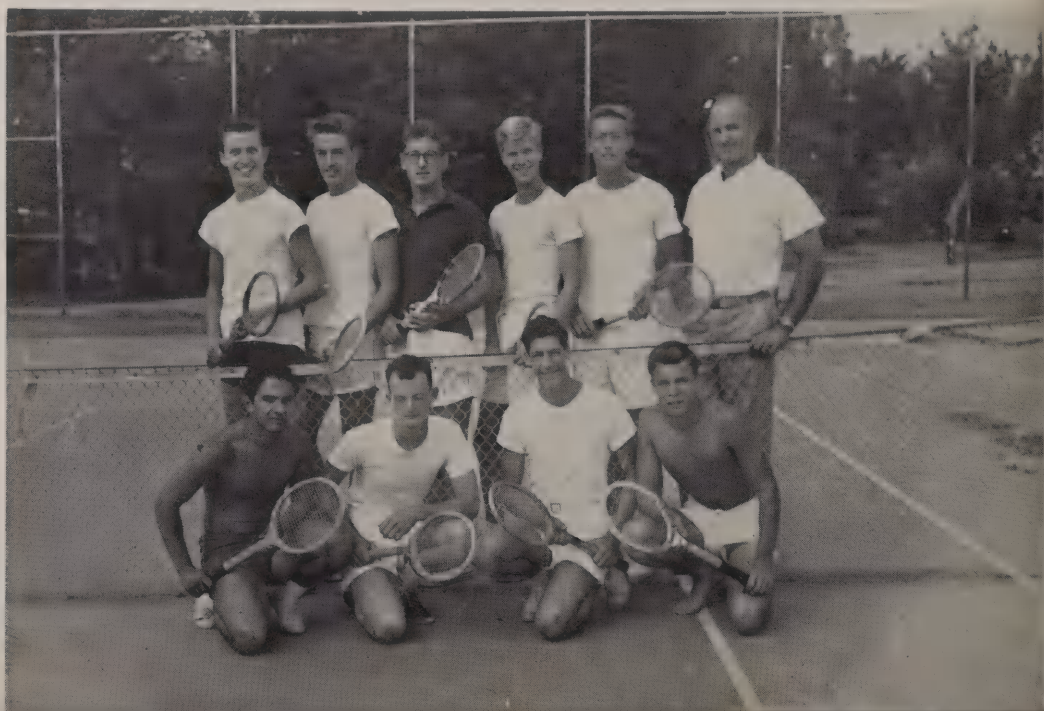

## our tennis team

front row: alvin silveria, phil muir, larry davis. second row: norton hall, cliff houston, john mc quilken, tom fetter, john jauregui, coach giddings.

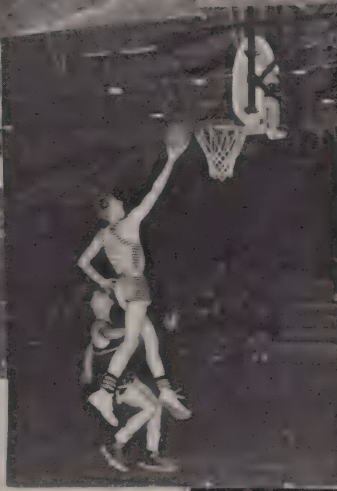

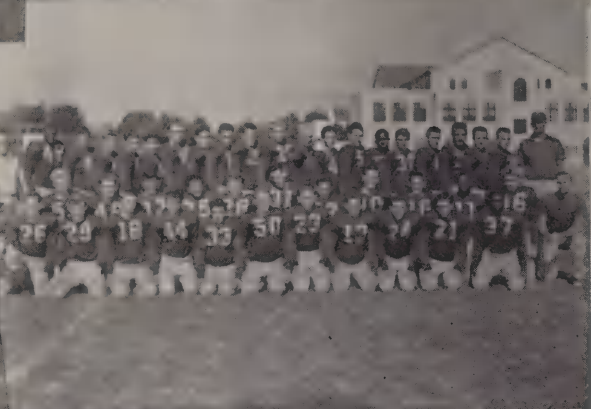

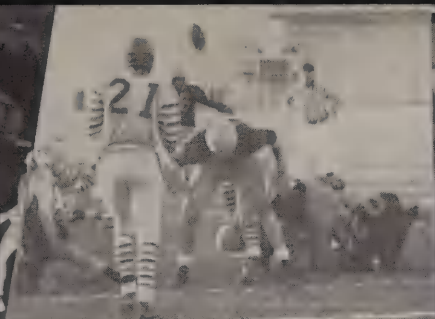

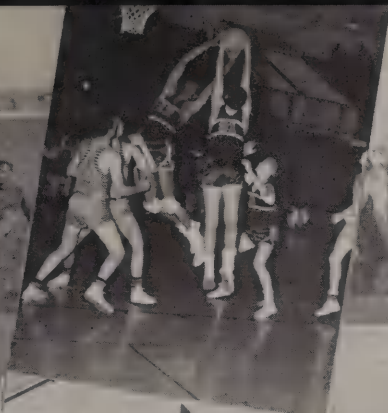

... 1952 was, for the tennis team, a year for rebuilding. graduation drew heavily on the experienced members of the team, and the new league rule which prevents boys from participating in two varsity sports at the same time prevented still more experienced players from coming out for the team.

... although, young and inexperienced, the team managed to beat san diego twice, both times to the tune of 11-0.

... members of the team in order of their standing are as follows: **bruce russel**, **alvin silveria**, **john jauregui**, **tom fetter**, **john mc quilken**, **cliff houston**, **norton hall**, **philip muir**, **larry davis**, **leon deikel**, **ray schlader**, **mike lorch**.

## our song leaders

... for pep and energy we lomans had four of the cutest song leaders who ever led a crowd. performing at the football carnival, at all home games, and during the red cross drive, our song leaders were both popular and civic minded.

... hats off to head song leader **babe berkheimer**, and **ronnie mills**, **barbara kelley**, and **diane justice**; point loma will lose four valuable citizens at graduation.

*Leah*

*Paul*

*Alvin*

## our cheerleaders

... our 1951-52 cheerleaders deserve "fifteen" for the splendid job they did this year, under the direction of **leah rogers**, head cheerleader, **paul morton**, and **alvin silveira**, the smallest crowd sounded like an army. with their original routines and contrasting back-flips, they even inspired the other schools to yell. a lot of credit goes to these lively three.

# our booster club

. . . our enthusiastic, hoarse-voiced booster club faithfully cheered our teams through thick and thin. wearing their yellow sweaters, these spirited students attended the games both at home and far away.

. . . a big event in point loma football was the long beach poly game at that city. three busses, full of excited students, went up and returned after another thrilling victory.

. . . two members were chosen from each class to represent it in the booster club. representing the senior class were **don harrington** and **suzie hanna**, who also served as president and secretary-treasurer, respectively. the junior and sophomore classes were ably represented by **dave lamott**, **nancy penkert**, **colleen redden**, and **bobby ellis**.

. . . **mr. atherton**, as sponsor, guided and helped mold the 1951-52 booster club into a more efficient organization.

## our lomanettes

... we now introduce point loma's marching ladies, who add that special color to every home football game, who represent our school in local parades, and who sponsor the march of dimes at point loma. these enthusiastic lassies will tell you that it takes a lot of work, time, and energy to be a lomanette. even with that early morning practice in the fog, it is worth the effort. planning routines, drilling for hours, pressing uniforms, sewing hats and sequins, trying out for majorette, pom-pon, or captain—all are part of the fun.

barbara boland,  
colonel

. . . the brightest event in the fall calendar was the annual football carnival. each parade and game brought more planning, harder drilling, and new suspense. home games at which the lomanettes marched were those with grossmont, hoover, and la jolla. the shrine parade, halloween parade, cabrillo parade, and portuguese fiesta were other events at which our lomanettes marched.

. . . leading the group through its many activities were the officers: **barbara boland**, colonel; **gloria hermanson**, major; **marydee clark**, executive officer; **lillian blackman**, and **ruth phillippi**, captain and lieutenant of pompons; **helen robinson** and **jo anne dickinson**, captain and lieutenant of the drum corps; **mery noel**, **gwen evans**, and **barbara neely**, captain and lieutenants of the drill team.

## . . . our coronation dance

## majorettes and pompons

... highlighting the spring activities were tryouts and the annual lomanette dance, "spring fever." under the guidance of their sponsor, miss carolyn crosby, the lomanettes carried out a most successful year.

. . . now that the echoes of the cracking whip have died away in the deserted halls, we survey with pride the fruit of our labors.

. . . we can now laugh off the unmet deadlines, the frequent accidents, and other faux pas, but we shall not soon forget the fun we have had in preparing the 1952 el portal.

## our pointer

... "the pointer policy shall be ... 1. to be the voice of the student body and student body leader."

... with the fulfillment of the pointer policy as our goal, we of the journalism class plunged into the mysteries of putting out a newspaper.

... the woman driving us to meet the deadlines was genie riddle, editor. nick fintzelberg put the front page together as news editor, and was followed on the second page by editorial editor don mc lean. class funny man was dick roshon, who wrote

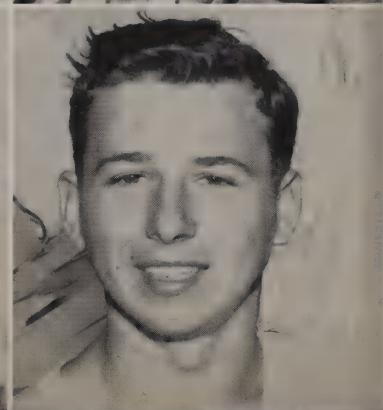

the "intellectual korner" and supervised the feature page. our sports scribes were manny chula and sylvia miller, who shared sports page responsibilities. the rest of the staff was made up of advertising manager, carol rick; business manager, june reeves; credit manager, mary lou ibey; circulation manager, dolores bradshaw; copy editor, shirley christman, exchange editor, ann ralston; art editor, connie yardley; faculty advisor, mrs. virginia whitson; photographers, lawrence schiller and bill richards; and reporters georgia munday, bev. harris, and francine cornblith.

... the second semester found the jobs slightly shuffled around. nick fintzelberg served as editor. the staff worked hard and furnished a newspaper for the student body every two weeks.

you've seen our work,  
you know the way we write.

through  
and thought  
our writers not quite bright.

our problem's out,  
you see our plight,  
behold, but do not laff.  
the mottled crew before  
you is,  
the illustrious pointer staff.

# our thespians

... "all the world's a stage"—point loma thespians have seriously followed shakespeare's famous bit of philosophy—glancing through the call sheets for rehearsals in play production we are pleasantly reminded of major productions: "the christmas apple", "little women", and "june wedding".

... assembly plays so completely enjoyed were "five for bad luck", "via the air-shaft", and "i pledge allegiance". the shakespeare assembly observing national book week found **sharon morris**, **sallie hege**, and **maxine gerson** as witches in "macbeth". also given in the shakespeare assembly was the humorous declamation "when shakespeare's ladies meet", by **shirlee johnson**. **jeanette hanna** served as commentator. **ed gould**, **deon anderson** and **john owen** did a cutting from "taming of the shrew".

... our salute to student directors **rhoda smith**, **mary ward**, **susie rayburn**, **leah la dou**, **sallie hege**, **jo ann dickinson**, and **jay kowal**.

... highlights of programs this year were the united nations observance, the thanksgiving program, offering our thanks and prayers, our great documents, a panel reacquainting us with our precious heritages of great documents, and a thrilling interpretation of the oratorical declamation "keep our dreams alive".

... the speech arts tournament at state college this year found dramatic lomans bringing home honors—first place in dramatic declamation to **ed gould** in "the bishop's candlesticks", second place in humorous declamation to **shirlee johnson** in "when shakespeare's ladies meet", and second and third place in radio broadcasting to **ed gould** and **shirlee johnson**.

... others entering contests and making fine showings were **mary ward**, finalist, in "i speak for democracy"; **barbara bashaw** and **jeanette hanna**, lions club contest on "learning to live together"; and the toastmasters contest, **marcel matley**.

## our stage design class

... we shall not soon forget the fine sets for "little women", and "june wedding", which added so greatly to their success. the stage design class has worked hard to make all productions in our auditorium outstanding.

. . . the orchestra made its first appearance in the christmas program playing "adeste fideles", "ave maria", and "adoration". the mid-winter concert with the band was high-lighted by a novelty number, "pizzacato pete". other numbers included "grosso preludium" and "fiddle faddle".

. . . bringing the year to a close we found the orchestra joining the other music groups to present our annual spring concert which was a treat for everyone concerned.

. . . the modern dance club's many performances included the ywca's annual christmas program, the four-arts program, thanksgiving assembly, the pta program, and a standing invitation to dance for an assembly at memorial junior high school and dana junior high school. the biggest production was the christmas dance which was called "the christmas rush." in order to make this dance a success the girls met on mondays, wednesdays, saturdays, and holidays for the rehearsals. all the girls in the club contributed their own ideas while doing the choreography. they also designed and made their own costumes.

the officers for both semesters were

... the most popular person at every c.s.f. meeting was our faithful sponsor, **mr. candor**, who devoted many hours to the organization.
